Dear Patients,

It is with mixed emotions that I am announcing my departure from Women's OBGYN Care PLLC effective **December 24th, 2022**. It has been a great pleasure providing for your health care needs and it is not easy for me to give it up.

As of December 24th, 2022, I will be leaving Women's OBGYN care PLLC. The remaining physician at Women's OBGYN Care PLLC is available to care for you as needed. I am glad to have left my patients in their capable hands. Of Course, you may seek medical care from another physician if you like. If you choose to do so, I recommend looking for a new physician as soon as possible. You may contact your insurance provider or Harris county medical society to search for a new OBGYN provider.

Your medical records are confidential, and a copy can be transferred to another physician or released to you or another person you designate only with your permission. If you would like your new physician to have access to your medical records, please follow the instructions on our website (<https://www.womensobgyncare.com>), so we may transfer your records to your new physician. Until then, your records will remain on file at Women's OBGYN care PLLC. I have greatly valued our relationship and thank you for your loyalty and friendship. Best wishes for you future health.

Sincerely

Dr. Alexandra Christie
